

# PG&SC GOLF MEMBERS – LEVEL 2 INFO

## Contact Tracing

Everyone must register or scan in on arrival, ideally using the NZ COVID Tracer app. If you don't have a mobile phone, a paper register will be available on the Pro Shop counter.

## Face Coverings

Everyone, including staff, must wear a mask whilst in the Pro Shop, as per retail guidelines. Please bring your own mask.

## Physical Distancing

Please try and maintain the 2-metre social distancing whilst in the Pro Shop.

## Hygiene & Health

It is important that you use basic hygiene measures, including washing your hands, coughing or sneezing into your elbow.

Hand sanitiser is available on the counter at the Pro Shop and other areas around the building.

If you are feeling unwell, displaying symptoms of COVID-19, awaiting a test or needing to self-isolate, please stay home.

## Subs

As our membership year has already changed twice this year, we won't be extending it out further. However, at your next renewal there will be a discount, equating to 3-weeks' subs.

## Tee Times Weekend

- Tee Times from 7.30am off #1.
- 9-Holers: As normal you can play from 1pm.

## Tee Times Week-Days

- One-tee starts for all players.
- Tee Times from 8am.

## What you need to know

- Tee sheets will open 5 days in advance at midday until further notice.
- The easiest way to make/change/cancel tee times is via the DotGolf App.
- Golf carts can be hired but can only be shared by those in your bubble.
- Drinking fountains are unavailable during Level 2.
- With the drinking fountains on the course closed, the toilets on course are also closed (the water that controls the fountains also affects the toilets).

## Interclub

All interclub (Woodward Cup, Blank Cup and Pollock Cup) have been re-scheduled. See golf info on email to members or noticeboard.
